

# Welcome to Cimarron!

**WHERE THE WEST IS STILL WILD!**

Thank you for your inquiry about Cimarron, New Mexico. It always pleases us to share information about our beautiful community!

Cimarron is located on the Mountain Branch of the Santa Fe Trail, at the intersection of State Highways 64 and 58, just 19 miles east of Interstate Highway I-25. With a population of just under 1,000, our Village is nestled at the edge of the Sangre de Cristo foothills. Our climate is moderate with average temperatures ranging from 88° F (high) to 19° F (low); this is fitting at an altitude of 6,430 feet.

Our main economic base is the Philmont Scout Ranch, the school system, and self-employment. Along with ranching, tourism is also a major part of our economic base, and many restaurants and shops offer seasonal positions. Philmont plays a big part in the local economy. The famous Philmont Scout Ranch is located four miles south of Cimarron on State Highway 21 and is home each summer to more than 23,000 scouts from all over the world.

Our children are educated from an early age. We have a Head Start program, an elementary/middle school and a high school, all of which operate on a four-day week—Monday through Thursday. Cimarron schools enjoy a reputation for academic as well as athletic excellence. Sports are also offered—track, volleyball, basketball, baseball and cross-country. Colleges are nearby in Springer & Las Vegas, New Mexico and Trinidad, Colorado.

We have an elected mayor and village council type of government with a police department, library, fire department and ambulance service. The Cimarron Healthcare Clinic is staffed with two family physicians and a nurse practitioner. The closest hospitals are located in Raton (42 miles) and Taos (56 miles).

Rentals are limited in our village. There is commercial and industrial land for sale; residential land and properties are also available. Costs vary depending on location, size, acreage, and age. Please call one of our real estate agents for more details. Stacie Ewing at American West Ranches or Tim O'Neill at O'Neill Land, LLC would be happy to assist you.

When you visit our community, excellent accommodations are available. Motels, restaurants, a bed and breakfast and RV parks are listed below. Transportation includes Albuquerque International Airport (about 3hours away) and daily Amtrak arrivals in Raton.

We have tried to think of all the information you need to consider a move to Cimarron. However, if you have questions, please call us at 575/376-2417, email us at cimarronnm@gmail.com or visit our website at:
